

# Health Insurance for Employers and Employees

Learn how an individual plan can help small employers and employees meet their health coverage needs.

## Health and Dental Plans on *Washington Healthplanfinder*

- *Washington Healthplanfinder* is the state's online marketplace for individuals and families to find, compare and purchase high-quality health and dental insurance.
- All health plans offered provide essential health benefits and preventative services, such as shots, mental health services, screenings and more.
- Depending on household size and income, individuals may qualify for tax credits and other cost savings on health coverage.
- Plans are available during open enrollment (Nov. 1-Jan. 15) or within 60 days of a "qualifying event" (such as loss of employer coverage; change in household income; change in household size).
- Eligible individuals can apply for Washington Apple Health (Medicaid) year-round.

Find the right plan on *Washington Healthplanfinder* at [wahealthplanfinder.org](http://wahealthplanfinder.org) or the WAPlanfinder Mobile App.
