SUBJECT: AUDIT FINDINGS REPORT FOR WASHINGTON

AUDIT PERIOD: JULY 1, 2021 – JUNE 30, 2022

I. EXECUTIVE SUMMARY

PURPOSE

The purpose of this independent external audit is to assist the State of Washington in determining whether the Washington Health Benefit Exchange (“the Exchange” or “WAHBE”), the Washington State-Based Marketplace (SBM), was in compliance with the financial and programmatic requirements set forth by the Centers for Medicare & Medicaid Services (CMS) during the audit period.

Name of SBM: Washington Health Benefit Exchange

State of SBM: Washington

Name of Auditing Firm: BerryDunn

Our responsibility was to perform a financial and programmatic audit to report on the Exchange’s assertion that it operated in compliance with Title 45, Code of Federal Regulations, Part 155 (45 CFR 155) as described in the CMS memo dated June 18, 2014, Frequently Asked Questions about the Annual Independent External Audit of SBMs. The Program Integrity Rule Part II (“PI, Reg.”), 45 CFR 155.1200 (c), states, “The State Exchange must engage an independent qualified auditing entity which follows U.S. generally accepted governmental auditing standards (GAGAS) to perform an annual independent external programmatic audit and must make such information available to the United States (U.S.) Department of Health and Human Services for review.”

SCOPE

The scope of this engagement included an audit of the financial statements of the Exchange, as well as an examination of the Exchange’s assertion that it operated in compliance with the programmatic requirements under 45 CFR 155, Subparts C, D, E, K, and M for the 12-month period July 1, 2021 through June 30, 2022. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained

in *Government Auditing Standards*, issued by the Comptroller General of the United States. We completed an examination of the Exchange's assertion that it operated in compliance with the applicable programmatic requirements under 45 CFR 155 and issued our reports dated March 31, 2023. We also performed an audit of its financial statements for the year ended June 30, 2022 and issued our report dated October 26, 2022.

We reviewed processes and procedures, read pertinent documents, and performed inquiries, observations, and staff interviews to obtain reasonable assurance regarding whether the Exchange is in compliance with 45 CFR 155 in all material respects. We also selected a sample of clients and tested for compliance with requirements under 45 CFR 155 for eligibility determination, verification of data, and enrollment with a Qualified Health Plan (QHP).
