

# Exchange Quality Programs for Certification Year 2021: Quality Rating System

- **Quality Rating System Display**
  - Will use current star ratings for PY 2021
- **Quality Rating System data collection**
  - WAHBE will collect administrative and hybrid measures within the QRS data set
  - All plans reported that HEDIS data collection was for the most part completed prior to the COVID-19 outbreak
  - Understand the data quality may not mirror other years
  - Exchange will circulate template for data collection later in June

# Exchange Quality Programs for Certification Year 2021: Quality Improvement Strategy

- **Progress reporting**
  - Reporting progress on QIS activity is largely unaffected- carriers have collected HEDIS measures for MY 2019
- **Future activities**
  - Based on carrier feedback, we acknowledge that carriers will need to modify/reduce QIS implementation activities
  - Quality improvement activities are still needed to ensure quality care for Exchange enrollees
- **Timeline for draft reports will be moved to August 2**
