Washington Health Benefit Exchange (WAHBE) Request for Qualifications and Quotations (RFQQ)

State Based Exchange Policy Consulting Services for WAHBE

WAHBE seeks to reduce the number of uninsured residents and improve access to high quality, affordable health care in Washington State. To achieve this goal, WAHBE requires the support of qualified Vendors to analyze policy, legislative, and regulatory innovations for WAHBE and deliver reports on an as-needed basis.

WAHBE is initiating this RFQQ to obtain a pool of qualified Vendors capable of providing independent, senior health care policy advisors with expertise in the following areas:

- individual market regulatory and legislative analysis;
- policy analysis;
- program management, design, and implementation.

Some projects also require data, analytic, or actuarial market analysis to inform policy.

Contract(s) resulting from this RFQQ will begin on or around June 1, 2023 and will end on June 30, 2025. WAHBE, at its sole discretion, may extend the period of performance through June 30, 2028 in whatever time increments WAHBE deems appropriate.

The RFQQ is available for download on the Washington's Electronic Business Solution (WEBS) website at <https://fortress.wa.gov/ga/webs/>. Additional materials or any addenda regarding this RFQQ, if needed, will be made available for download at this same website. Vendors are encouraged to check often for addenda and other materials that may be posted.

Responses to this RFQQ are due to the RFQQ Coordinator no later than 3:00 p.m. PST on Thursday, April 20, 2023.
