

Washington Apple Health Redetermination Activity

Shawna Fish (she/her)

Associate Director of Marketing and
Communications (MarCom)

Still eligible for Apple Health?

Customers found eligible for Apple Health through *Washington Healthplanfinder* will be re-enrolled into that program.

- Taking action within 90 days of losing Apple Health prevents a gap in coverage.
- Apple Health-eligible customers can enroll at any time through *Washington Healthplanfinder*.

No longer eligible for Apple Health?

Customers who are no longer eligible for Apple Health must select a new health plan through *Washington Healthplanfinder* to remain covered.

- Signing up within 60 days of losing Apple Health prevents a gap in coverage.
- Most people losing Apple Health can get a high-quality Cascade Care plan for less than \$10 a month.
- Those unable to sign up, or who need help, should contact the Exchange Customer Support Center: 1-855-923-4633.

How it works....

- Everyone with Apple Health should log in to *Washington Healthplanfinder* (wahealthplanfinder.org) to ensure their contact and income information is up to date.
- Everyone losing Apple Health should return to *Washington Healthplanfinder* to secure free or low-cost health insurance.

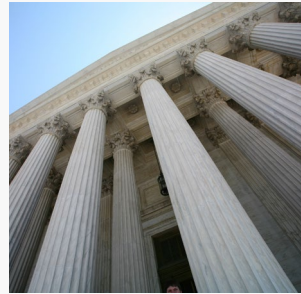

Medicaid Continuous Coverage Timeline

A summary of the actions that have led up to the ending of Medicaid Continuous Coverage that started with the Public Health Emergency.

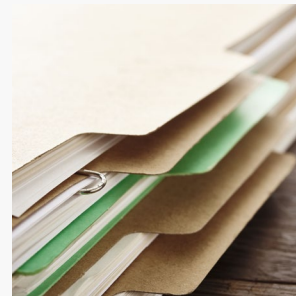

March 20, 2020

Public Health Emergency (PHE) declared, and the Families First Coronavirus Response Act Medicaid continuous coverage began.

Dec. 29, 2022

Consolidated Appropriations Act Omnibus legislation is passed separating Medicaid continuous coverage from the PHE.

April 1, 2023

Reinstatement of redetermination. Health Care Authority begins ending continuous coverage.

May 11, 2023

Public Health Emergency is ending.
