

Overview of Washington Healthplanfinder

GET COVERED. REMAIN COVERED.

What is *Washington Healthplanfinder*?

Washington Healthplanfinder is the online marketplace where individuals and families can find, compare and enroll in a health plan.

By using *Washington Healthplanfinder*, you can....

1. Sign up for free or low-cost coverage through Washington Apple Health (Medicaid).
2. Purchase a Qualified Health Plan and Qualified Dental Plan and get help making coverage more affordable.

How much does coverage cost?

- Apple Health is free or low-cost.
- Qualified Health Plan and Qualified Dental Plan prices vary based on age, household income and county.

Is financial help available?

- Advance premium tax credits are income-based tax credits that offset how much you pay for your monthly premium. Financial help is available exclusively through *Washington Healthplanfinder* to lower your costs.
- Cost-sharing reductions are income-based reductions that lower your out-of-pocket costs when you see a provider. Cost-sharing reduces the amount you pay in copays, deductibles and co-insurance.

When can I sign up?

Apple Health is available year round. Qualified Health Plan and Qualified Dental Program coverage is available:

- During the fall open enrollment period, beginning Nov. 1 and ending Jan. 15.
- Within 60 days of a "qualifying event" (such as loss of employer coverage; change in household income; change in household size).

Find the right plan on *Washington Healthplanfinder* at wahealthplanfinder.org or the WAPlanfinder Mobile App.
