

Federal enhanced premium tax credits

Congressional reauthorization is needed to keep people covered

Washington
Congressional
District

3

Set to expire at the end of 2025, enhanced premium tax credits are critical to ensuring that Washingtonians in Congressional District 3 have health insurance coverage that is accessible and affordable.

24,625

Number of residents who receive enhanced premium tax credits.

\$1,470

Average annual enhanced premium tax credits received.

\$2,160

Average annual enhanced premium tax credits received by 55- to 64-year-old residents.

If Congress does not reauthorize enhanced premium tax credits before the end of 2025, many Washingtonians will forgo health insurance or purchase less expensive coverage with higher cost sharing.

70%

Percent net premiums will increase for residents who receive enhanced premium tax credits.

Meet Arturo (a composite of an average Exchange customer)
