

Washington Health Benefit Exchange QHP Enrollment Affiliate Program 2018 Coverage Year

What is a Washington Healthplanfinder enrollment Affiliate?

Washington Healthplanfinder QHP enrollment Affiliates are brokers or broker agencies who rely on Qualified Health Plan enrollments through Washington Healthplanfinder as a key part of their business strategy. Exchange Affiliates have substantial experience, are affiliated with multiple Exchange carriers, and are enthusiastic about expanding this business.

Affiliates align their business with the Washington Healthplanfinder brand, signifying to the public that the Affiliate is a trusted partner and knowledgeable resource regarding health insurance options and benefits available through the Exchange. From their existing offices or sites, Affiliates offer application and enrollment assistance to individuals and families seeking to enroll in a Qualified Health Plan.

The term for Affiliates is from the date the agreement is signed by HBE through September 30, 2018. Affiliates must reapply each year.
