Limitations

Your use of and browsing in the Washington Healthplanfinder website or mobile application are at your risk. The Washington Health Benefit Exchange does not warrant that the service will be uninterrupted or error free. Your use of Smart Planfinder within the Washington Healthplanfinder website or mobile application is strictly voluntary and identification of a plan as a "Smart Choice" does not constitute a plan recommendation by the Washington Health Benefit Exchange. Estimated costs in a year are only estimates for average users, vary based on a consumer's inputs into the Smart Planfinder tool and each plan's benefit structure, and may not be relied upon as the actual cost of plan coverage. You should always confirm participation of a provider or coverage of a prescription drug under any plan with the issuer, as network and formulary coverage can vary from month to month. The Washington Health Benefit Exchange is not liable for any costs or damages to consumers based on consumer plan selection using the Smart Planfinder tool. The Washington Health Benefit Exchange is not liable for any incidental, consequential, direct, indirect, or punitive damages to you or a third party arising out of your access to, or use of, the Washington Healthplanfinder website or mobile application. Without limiting the foregoing,

everything on the Washington Healthplanfinder website or mobile application is provided to you "as is" without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose, or non-infringement. The Washington Health Benefit Exchange also assumes no responsibility, and shall not be liable for, any damages to, or viruses that may infect, your computer equipment or other property on account of your access to, use of, or browsing in the Washington Healthplanfinder website or mobile application or your downloading of any materials, data, text, images, video, or audio.

There are certain state and federal laws that govern the operation of Washington Healthplanfinder, your rights and responsibilities as a user of the Washington Healthplanfinder website or mobile application, and the coverage obtained through Washington Healthplanfinder. By using the Washington Healthplanfinder website or mobile application, you agree to comply with these laws as they may apply to users of this website or mobile application and coverage obtained hereunder.

Changes to Terms and Conditions of Use

The Washington Health Benefit Exchange may from time to time, and at its sole discretion, modify the Terms and Conditions of Use. The modified Terms and Conditions of Use will be effective immediately upon posting. You agree to the new posted Terms and Conditions of Use by continuing your use of the Washington Healthplanfinder website or mobile application. For the purpose of Identity Proofing

To protect your privacy, you will need to complete Identity Verification successfully, before requesting access to the selected role. Below are a few items to keep in mind.

Ensure that you have entered your legal name, current home address, primary phone number, date of birth and email address correctly. We will only collect personal information to verify your identity with Experian, an external identity verification provider.

Identity Verification involves Experian using information from your consumer report profile to help confirm your identity. As a result, you may see an entry called a "soft inquiry" on your Experian consumer report. Soft inquiries are only visible to you, will never be presented to third parties, and do not affect your credit score. The soft inquiry will be titled "CMS Proofing Services" and will be removed from your Experian consumer report after 25 months.

You may need to have access to your personal and consumer report information, as the Experian application will pose questions to you, based on data in their files. For additional information, please see the Experian Consumer Assistance website - <http://www.experian.com/help/>.
