Renewing your coverage

Renewing your coverage is easier than ever! This checklist will get you started.

WHAT YOU'LL NEED TO RENEW

- Review your renewal message

- Review the details about your options for next year

- Gather documents related to any change you had during the year, like:
 - Income changes
 - Changes to the household members on your application
 - Address changes

- Consider what you'll need in a plan for next year:
 - Do you expect to go to the doctor more this upcoming year?
 - Do you have any new doctors and prescriptions that should be covered?

- Renew online or through the WAPlanfinder mobile app
 - If you need to make updates to your application, report a change
 - Review and shop health and dental options
 - Use our shopping tools to help find the right plan
